

GRADUATE DIPLOMA IN MANAGEMENT

MDS Individual Reflective Video Submission Guideline

1. Recording the Individual Reflective Video

- You may use any video recording tool or software of your choice.
- The total duration of the reflective video should be **5 minutes**.
- The video must clearly demonstrate your **personal reflection** on your learning experience throughout the module.
- Ensure that your reflection connects to **key marketing concepts, theories, and practical applications** you have learned.
- The video should be presented in a **professional manner**, with clear audio and visuals.
- Do not replicate or benchmark with sample submissions; your reflection should be **original and authentic**.
- You are expected to **justify and elaborate** on your key reflections and learning outcomes during the discussion.

2. Reflective Video key content coverage

Your reflection should specifically include:

1. What you learned from the Campaign Design process.
2. How you contributed to the successful completion and presentation of the campaign.
3. Address each criterion by explaining how you and your team have contributed to it.
4. Your knowledge across the below area should be included to provide individual evidence:
 - Environmental Analysis External & Internal PESTEL Analysis Porter's Five Forces & SWOT
 - Marketing Need, size and Trend Analysis
 - Digital Strategic Purpose (Mission, Vision, Value, goal)
 - Developing Digital Objectives (Digital engagement & Financial Objectives)
 - STP (Segmentation, Targeting and Positioning)
 - Key Target Audience (Persona) with Justification
 - Multi-media Channels (Justification for each channel selection)

- Creative Concept with Justification for Appeal

3. Submission Requirements

- The reflective video file should be **submitted on the date** as per the presentation brief.
- Name your file using the following format:
[Student Name]_[Student ID]_MarketingReflectiveVideo
- Upload your Reflective video to your Teams batch (Batch 87).
- If you are sharing the video as a link (Sharepoint), please adjust the link settings to make sure the video is downloadable.
- Late submissions may result in a penalty as per the assessment policy.
- **Failure to submit the reflective video will result in the group presentation being marked as incomplete, and the assessment will not be graded.**
