Learning Outcomes

By the end of this unit, students will be able to:

LO3: Produce a marketing plan for an organisation that meets marketing objectives.

LO4: Develop a media plan to support a marketing campaign for an organisation

Overview of the Assessment

The module consists of four learning outcomes with two assessment components. This assessment component is set to achieve learning outcomes 3 and 4.

Scenario: Cinnamon Life Hotels - Marketing and Media Plan

Cinnamon Life Hotels' marketing and media plan include a segmented approach, targeting leisure travelers, corporates, and event planners with tailored messaging. The plan utilises international trade fairs, media relations, direct marketing, and digital platforms to build awareness and drive bookings. Key strategies involve promoting the hotel's integrated resort experience, including dining, entertainment, and gaming, particularly to attract the Indian market. Partnerships with government bodies such as the Sri Lanka Convention Bureau (SLCB) and airlines for Meetings, Incentives, Conferences, and Exhibitions (MICE) tourism are also a core part of their strategy.

Task: Group Presentation

As a member of a marketing team of a leading organisation in Sri Lanka, you are assigned with the task of developing a detailed marketing plan including a media plan to launch an established international brand or promote a brand in Sri Lanka.

Guidance Notes

Your Marketing and Media Plan may consist of the following:

1. Key elements of a marketing plan
2. Situational analysis: tools and techniques
3. Marketing objectives and strategy formulation
4. Marketing campaign: Objectives and tactics
5. Media plan to support the marketing campaign
6. Budgets, action plan, monitoring and control measures.

Instructions

1. Each group shall consist of five members and is allocated 20 minutes for the oral presentation. An additional 10 minutes is reserved for the Question-and Answer session.
2. The group shall divide the allocated time among the members and each member shall involve in the oral presentation and the Question-and Answer session.
3. The group's PowerPoint Presentation shall be submitted to the Examinations Department on the scheduled date in order to be eligible to participate in the presentation. The student shall submit the Speake notes on the day of the Submission date as stated in the cover sheet.
4. You shall demonstrate clear understanding of relevant marketing concepts and theories and their application in the context of the Marketing Plan and Media Plan.

Speaker Note

Each member shall demonstrate with speaker notes that they satisfy the relevant assessment criteria of the learning outcomes. Panel members may verify knowledge and the application of the concepts with questions and clarification.

Word Count - 2000 Words

Learner Support

Apart from the regular lecture and interactive seminar sessions, you are encouraged to meet your tutor to discuss your progress in the preparation of the presentation.
