Learning Outcomes

On successful completion of this module, the learner will be able to:

LO3: Produce a marketing plan for an organization that meets marketing objectives.

LO4: Develop a media plan to support a marketing campaign for an organization

Overview of the Assessment

The module consists of four learning outcomes with two assessment components. This assessment component is set to achieve learning outcomes 3 and 4.

Scenario: Marketing Campaign for a Fast-Food Brand

The fast-food industry is highly competitive, with businesses facing challenges such as changing customer preferences, increasing competition, digital transformation, price sensitivity, and the growing demand for convenient and personalised food experiences. A fast-food company of your choice is planning to introduce a new marketing campaign to increase brand awareness, attract new customers, improve customer loyalty, and strengthen its market position. The company aims to use an effective marketing and media strategy by understanding customer needs, analysing competitors, selecting suitable target markets, and communicating effectively through appropriate promotional channels.

Task: Group Presentation

As a member of the Marketing Team of the selected fast-food company, you are required to develop a Marketing Plan and Integrated Media Plan to support the launch of the proposed marketing campaign.

Guidance Notes

Your Marketing and Media Plan may consist of the following:

1. Key elements of a marketing plan (SOSTAC)
2. Situational analysis: tools and techniques
3. Marketing objectives and strategy formulation
4. Marketing campaign: Objectives and tactics
5. Media plan to support the marketing campaign
6. Budgets, action plan, monitoring and control measures.

Instructions

1. Each group shall consist of five members and is allocated 20 minutes for the oral presentation. An additional 10 minutes is reserved for the Question-and Answer session.
2. The group shall divide the allocated time among the members, and each member shall be involved in the oral presentation and the Question-and Answer session.
3. The group's PowerPoint Presentation shall be submitted to the Examinations Department on the scheduled date to be eligible to participate in the presentation. The student shall submit the Speake notes on the day of the Submission date as stated in the cover sheet.
4. You shall demonstrate clear understanding of relevant marketing concepts and theories and their application in the context of the Marketing Plan and Media Plan.

Speaker Note

Each member shall demonstrate with speaker notes that they satisfy the relevant assessment criteria of the learning outcomes. Panel members may verify knowledge and the application of the concepts with questions and clarification.

Word Count - 2000 Words

Learner Support

Apart from the regular lecture and interactive seminar sessions, you are encouraged to meet your tutor to discuss your progress in the preparation of the presentation.
