

HRM Digital Poster Presentation Guideline

1. Digital Poster

- You can select any design software or tool of your choice to design your poster.
- The size of the digital poster shall be A3, with margins of 1" right, left, top and bottom in landscape orientation.
- The sources used to design the poster shall be cited according to the Harvard referencing guidelines.
- Intext and end-text should be included. (End-text minimum of 3 and maximum of 5)
- Do not benchmark with the sample, use your creativity in creating the poster. Do not copy from the sample.

2. Presentation Recording

- The time duration allocated for the video presentation is 10 minutes.

3. Presentation Questionnaire

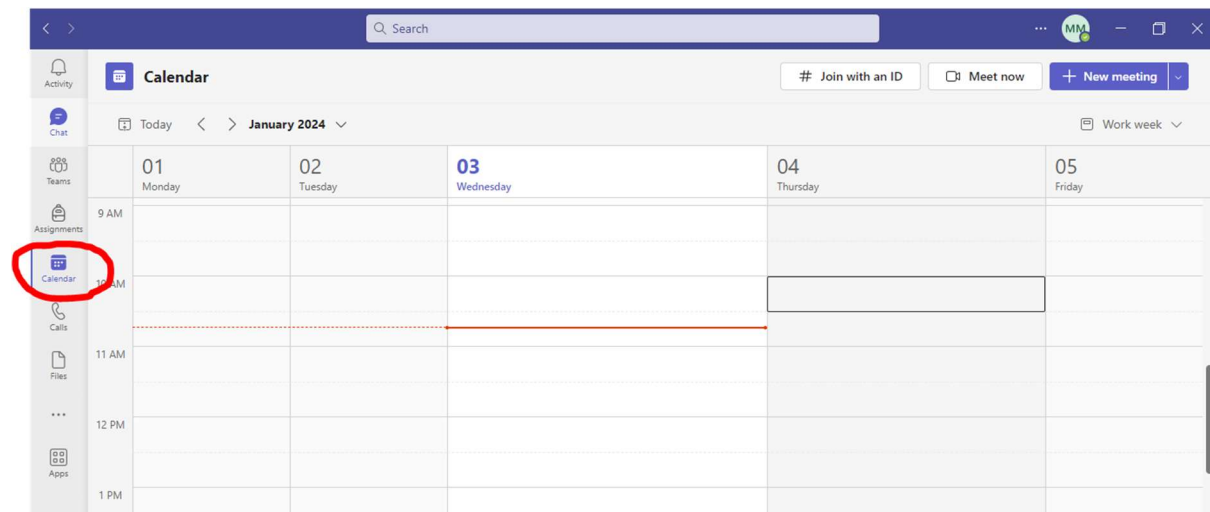

- You are required to submit the digital poster along with the video prior to the panel discussion.
- The learner should be present in person and the assessment panel may pose questions on the subject content.

Submission Procedure

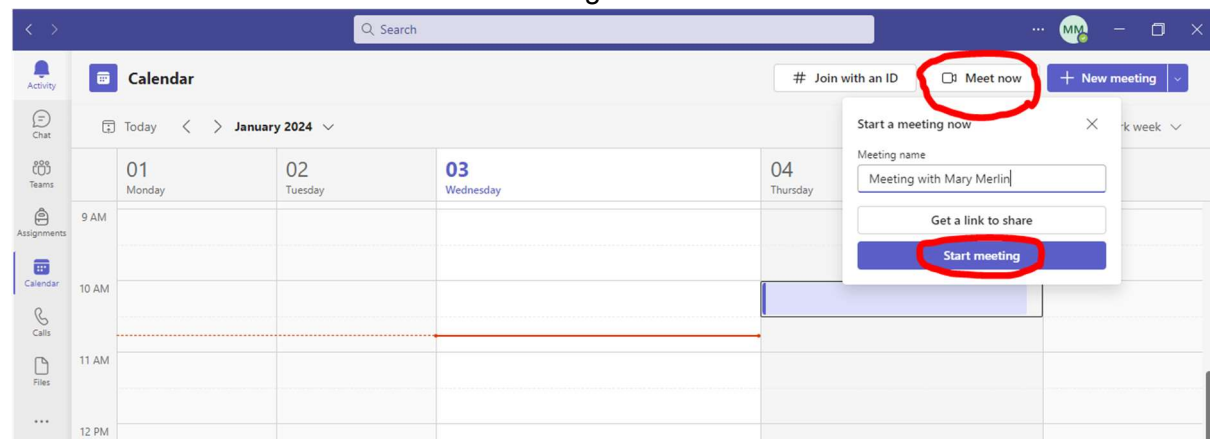

1. Submit the soft copy of the digital poster in PDF format to your Teams batch.
2. Upload your video presentation to the Teams.
3. Name both poster and video in the following format. **"Last Name_First Name_Student ID"**.

Guideline to Record the Presentation Video

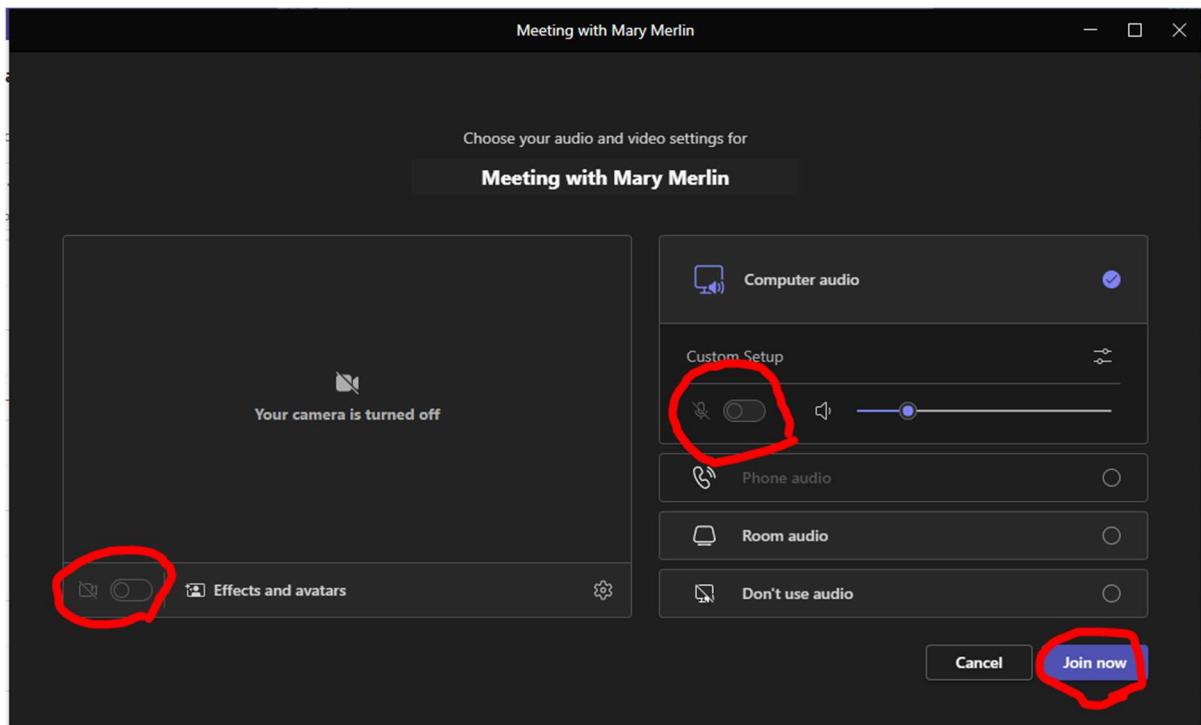

1. Go to Calendar and select the date

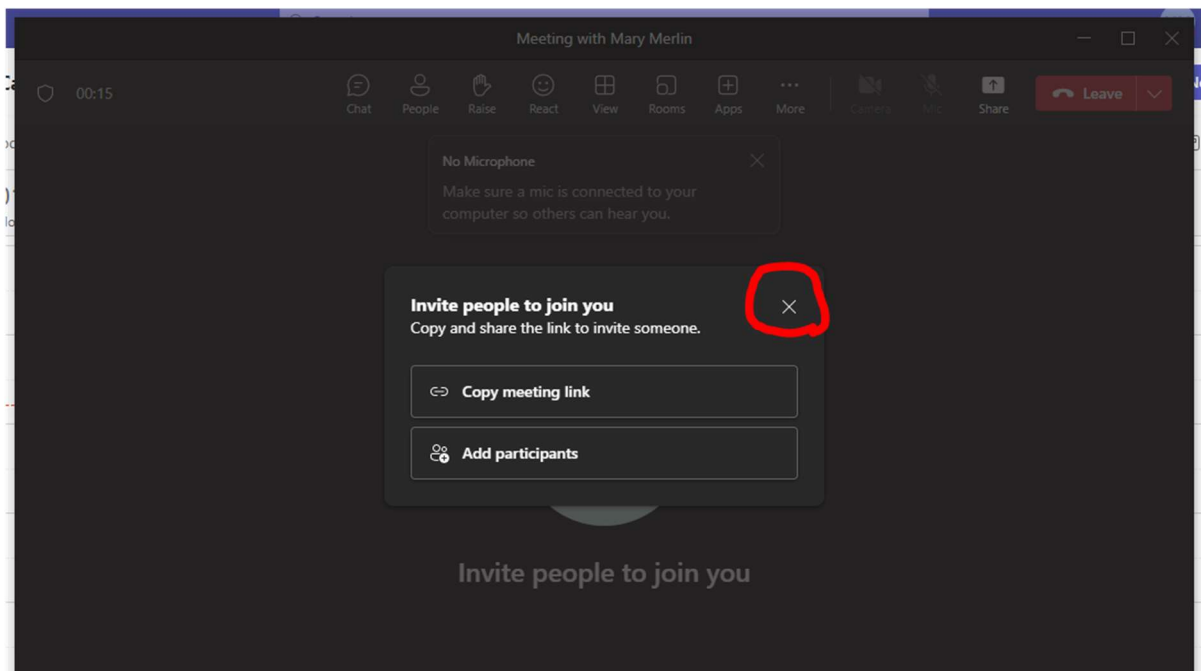

2. Click Meet Now and Start the meeting

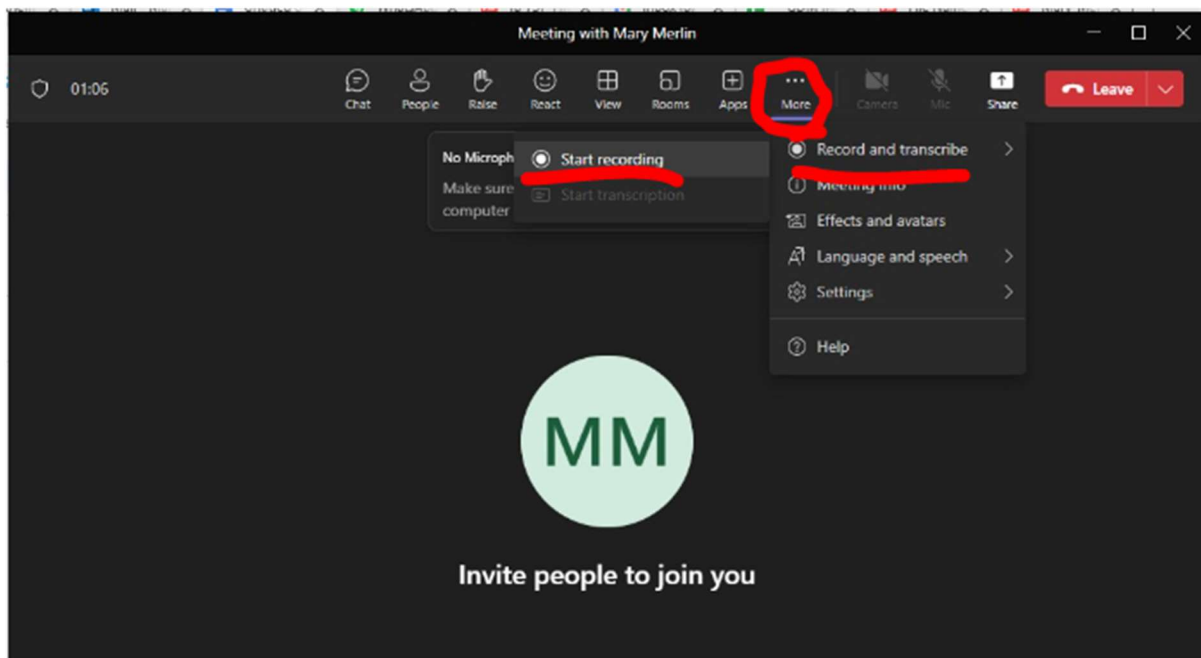

3. Switch on the Video, check the Audio and join the meeting (**Switching on the Camera is must**)

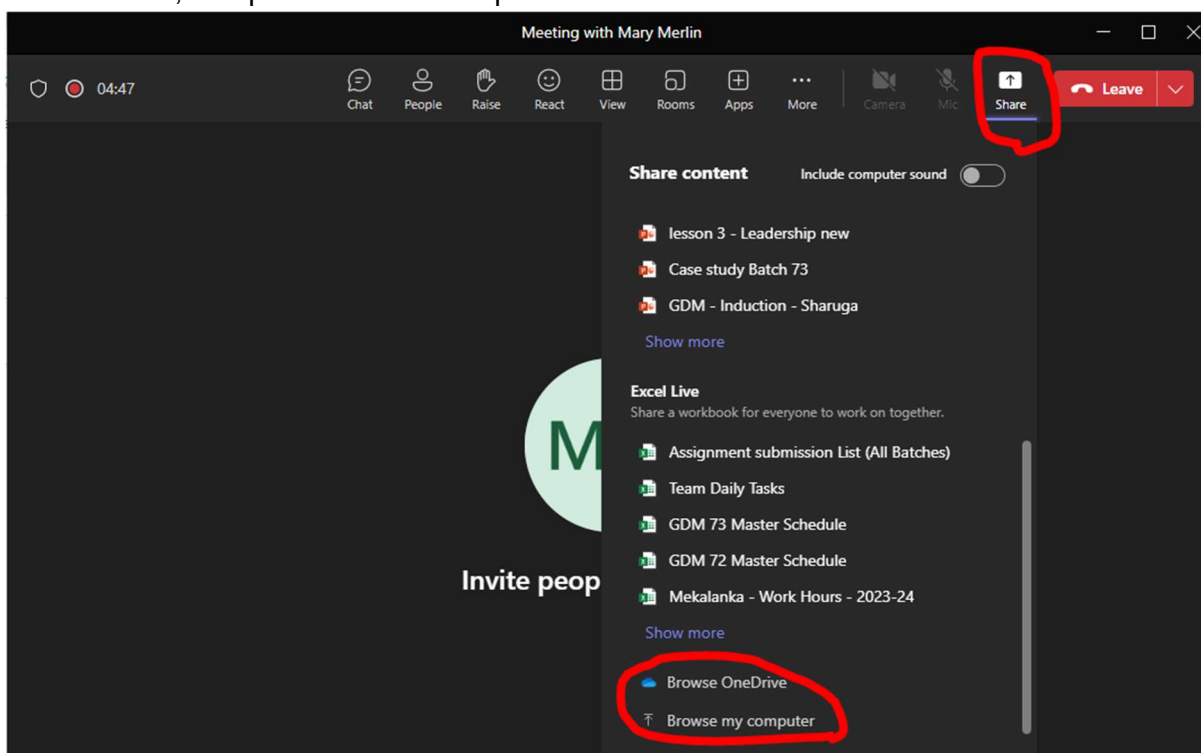

4. Can close this

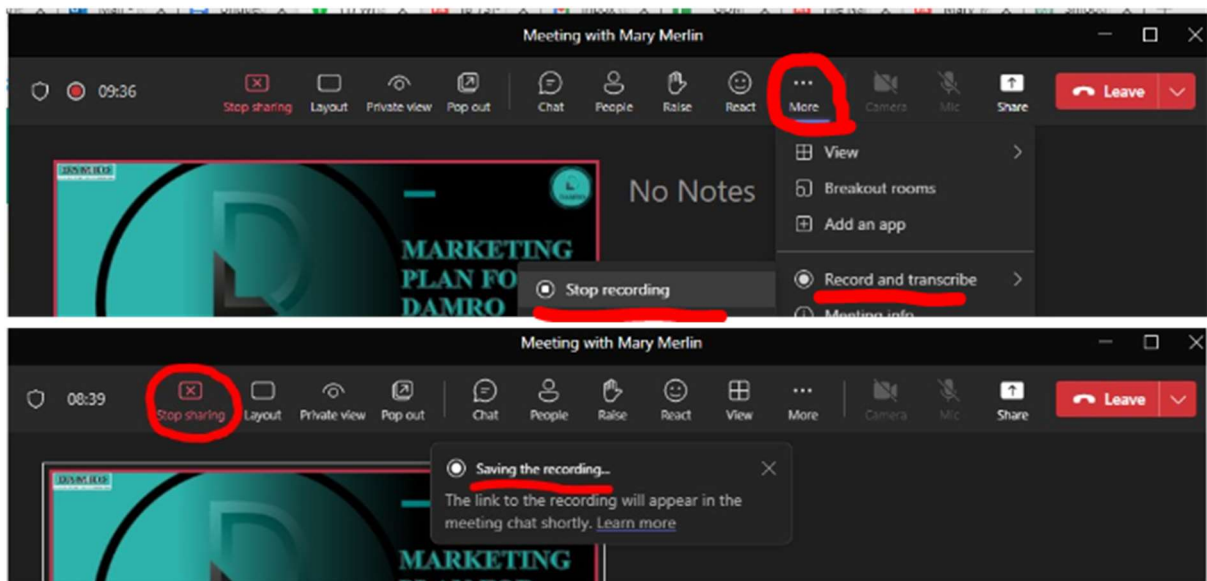

5. Click here to start recording

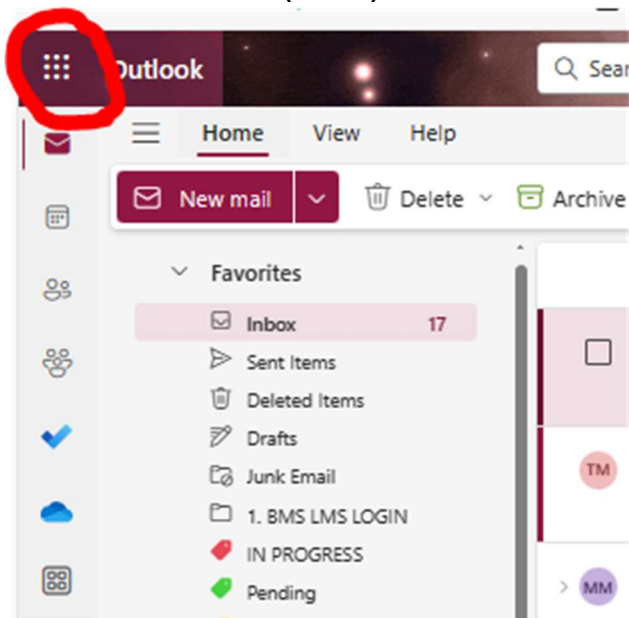

6. During the video recording, please display the Digital Poster, zoom in on the relevant areas, and provide detailed explanations.

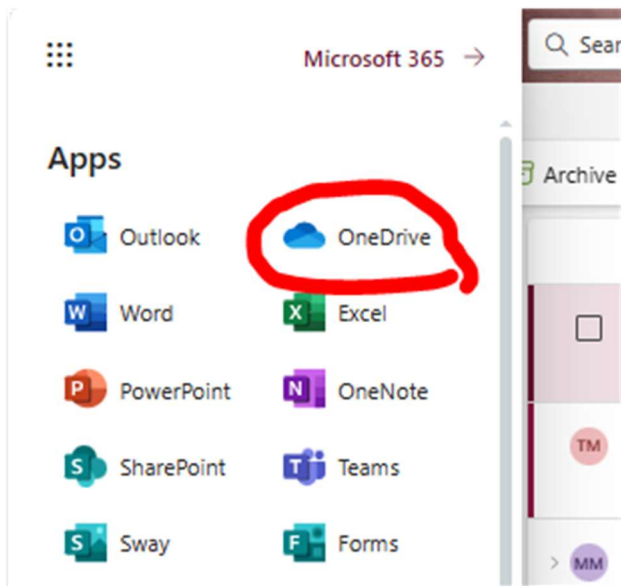

7. Once the explanation is done, stop the recording. And make sure that your recording is saved.

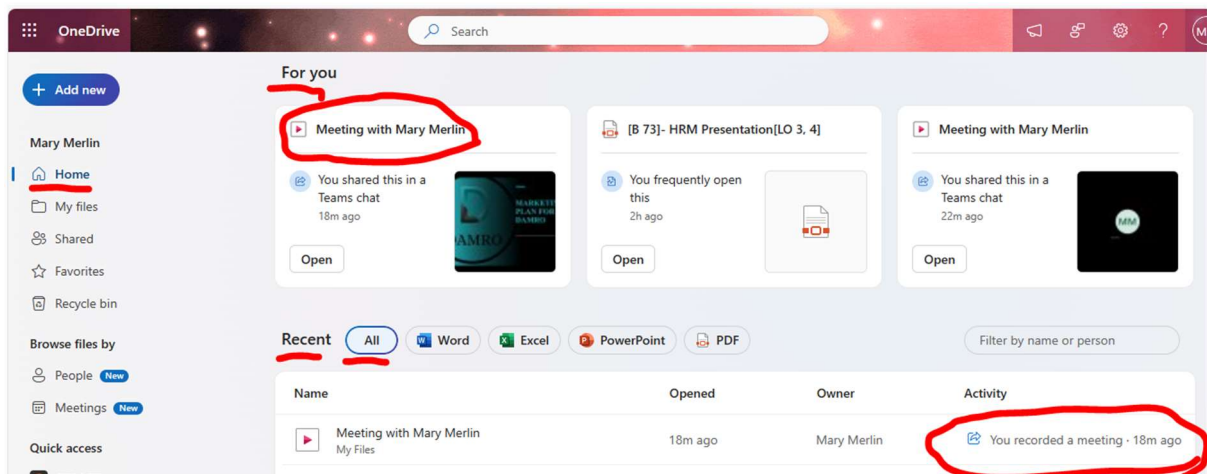

8. You can check the saved recording through **One Drive**
Go to BMS Outlook (Email) and select One Drive

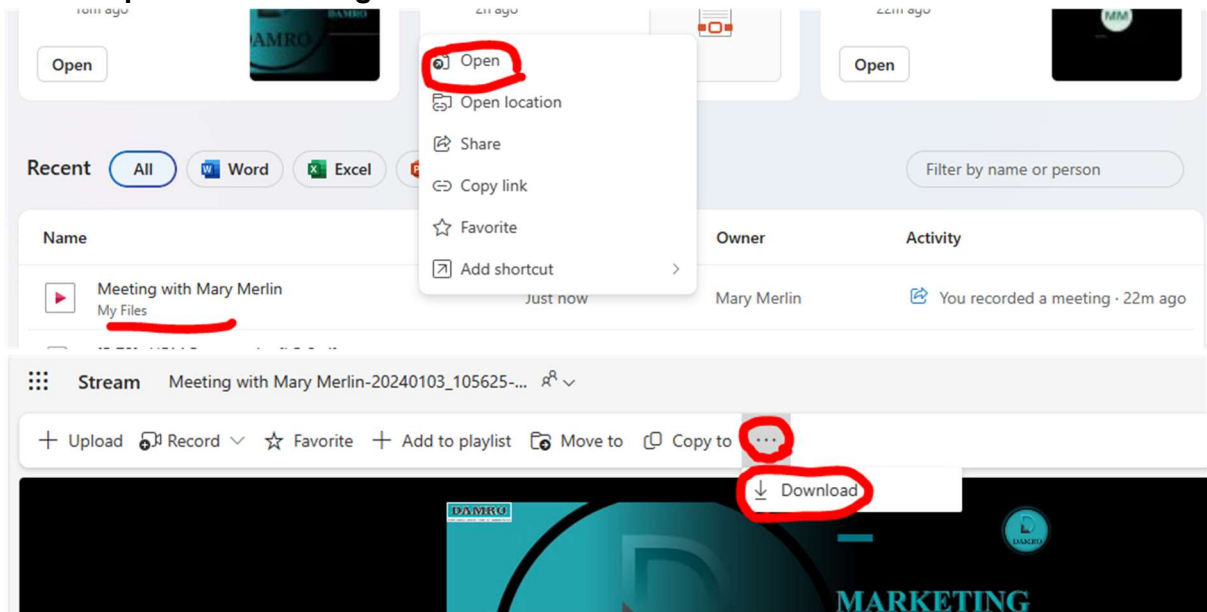

9. You can view the recording here

10. Open the recording and download the file

11. Once the Recording is ready you can upload it to the Teams.
